INTERNATIONAL PODIUM PRESENTATIONS

2019 Royal Australasian College of Surgeons Annual Scientific Congress, Bangkok, Thailand

- **Keynote lecture** – “Guardianship in Surgery – Leaving the Community and the Profession better off”
- “Why start private practice? Pitfalls to avoid and how to be successful”
- “Tips for training in colonoscopy”
- “Technical tips and tricks for improving colonoscopy performance”
- “Arabia – The centre of the medical and surgical world for 700 years”
- “9th century Salerno – Europe’s first Medical School and Hospital”

New Zealand Association of General Surgeons Annual Meeting, Christchurch, New Zealand

- “Training the colonoscopy trainers”
- “Lower endoscopy – tips for improving performance”

2016 Colorectal Surgical Society of Australia and New Zealand Spring Continuing Medical Education Meeting, (CSSANZ CME) Queenstown, New Zealand

- “Medical management following an acute episode of diverticulitis”

2014 RACS ASC, Singapore

- “The elderly patient”
- “Indicators of Quality Colonoscopy”
- “How Victorian ‘rave’ parties led to the birth of anaesthesia”

2009 Cancer Society of New Zealand Cancer Week, Wellington, New Zealand

- “Screening, Surveillance and Diagnosis of Colorectal Cancer”
- “21st Century Management of Colorectal Cancer”
- “Follow-up After Colorectal Cancer Surgery”
- “Screening for Colorectal Cancer: The Australian Experience”
- Public lectures in Blenheim, Nelson and Masterton
 - “Getting to the Bottom of Bowel Cancer - What Can YOU Do?”
- Public lecture in Wellington
 - “Colorectal Cancer – Screening, Policy and Lifestyle”

2007 RACS, ASC, Christchurch, New Zealand

- “Perianal sepsis”

2005 CME Meeting, Christian Medical College, Vellore, Tamil Nadu, India

- “Faecal incontinence”
- “Large bowel obstruction”

Sun Yat Sen Cancer Hospital Grand Round, Guangzhou, China

- “Laparoscopic colorectal surgery”

Symposium Shanghai No 1 Hospital, Shanghai, China

- “Laparoscopic colorectal surgery”

1999 RACS ASC, Auckland, New Zealand

- “Video information for colonoscopy. A prospective, randomised clinical trial”
- “Pre-emptive local anaesthesia for haemorrhoidectomy. A prospective, randomised clinical trial”
- “Glyceryl trinitrate versus lateral sphincterotomy for chronic anal fissure. A prospective, randomised clinical trial”

1998 International Society of University Colon and Rectal Surgeons XVIIth Biennial Congress
Malmo, Sweden

- “Intra-operative ultrasound of the colon”

European Society of Endoscopic Surgeons 6th World Congress, Rome, Italy

- “Localisation of the lesion for resection at laparoscopic colectomy using laparoscopic ultrasound”

NATIONAL PODIUM PRESENTATIONS

2017 RACS ASC, Adelaide, South Australia

- “Erikson for surgeons”
- “The ancient and modern history of haemorrhoid surgery”
- “Elementary – How Conan-Doyle saw through the ‘cure’ for tuberculosis”
- “National Bowel Cancer Screening Program – recent results and future plans”

2016 Australian Gastroenterology Week

- “Training at the Coalface – A surgical perspective”

RACS ASC, Brisbane, Queensland

- “Training the colonoscopy trainers”

2014 CSSANZ CME, Sydney, NSW

- “Leaks’ – Short term management and long term prospects”

2013 CSSANZ CME, Gold Coast, Queensland

- “What is quality colonoscopy and how do we achieve it”

Australian Gastrointestinal Trials Group Annual Conference

- “National Bowel Cancer Screening Program”

2011 RACS Surgical Leaders’ Forum, Melbourne, Victoria

- “Credentialing of Surgeons in Private Hospitals – The Challenges of Increasing Specialisation - The Colorectal Viewpoint”

Tripartite Colorectal Meeting, Cairns, Queensland

- “Credentialing for Colonoscopy – The Australian Experience”

RACS ASC Adelaide, South Australia

- Averse to Surgery?: The (Short) Surgical Career of John Keats”
- “Surveillance for a Family History of Colorectal Cancer”

2010 CSSANZ CME, Launceston, Tasmania

- “Evaluation of Complete Anal Fistula – EUA, EAUS or MRI”

2009 CSSANZ CME, Brisbane, Queensland

- “Management of the Locally Advanced Primary”

RACS ASC, Brisbane, Queensland

- “Screening for Colorectal Cancer - Results from the Australian Program”

2008 Australian Gastroenterology Week

- “Ensuring Quality Colonoscopy”

2007 Cancer Council Victoria Public Forum, Melbourne, Victoria

- “Quality Issues in Colonoscopy for Australia”

CSSANZ CME, Victor Harbour, South Australia

- “What is Quality Colonoscopy and how do we achieve it?”

2006 RACS ASC, Sydney, New South Wales

- “Einstein, Hitler, Kennedy – How 21st Century Surgery could have changed the 20th Century”
- “The modified Alvarado Score in the diagnosis of Appendicitis”

2005 RACS ASC, Perth, Western Australia

- “Hunters Lecture Notes – An Adelaide Connection”

2003 Seminars in Operative Surgery, Adelaide, South Australia

- “Intractable constipation”

2002 RACS ASC, Adelaide, Australia

- “Surgical ablation and colonic stents in the palliation of colorectal cancer”

1998 Seminars in Operative Surgery, Adelaide, South Australia

- “The challenge of teaching in public hospitals”

Research Day, The Queen Elizabeth Hospital, Adelaide, South Australia

- “Temperature change during laparoscopic and open colorectal surgery”

CSSANZ CME, Adelaide, South Australia

- “The role of ultrasound in the management of colorectal cancer”

RACS ASC, Sydney, New South Wales

- “Core temperature change during laparoscopic and open colorectal surgery”
- “A prospective study of post-operative pain after haemorrhoidectomy
- “Immunobead RT-PCR detects small numbers of free intra-peritoneal malignant cells at colorectal cancer resection”

1997 RACS, ASC, Brisbane, Australia

- “Day Case haemorrhoidectomy”

1993 RACS (SA branch) Annual Scientific Meeting

- “Surgical Aspects of Melioidosis”

Australian College of Tropical Medicine, Darwin, Northern Territory

- “Melioidosis – a Surgical Viewpoint”

1992 RACS (SA branch) Annual Scientific Meeting

- “Laparoscopic cholecystectomy in Acute Inflammation of the Gallbladder”

POSTER PRESENTATIONS

- 1999** American Society of Colon and Rectal Surgery Tripartite Meeting, Washington DC
- “Glyceryl trinitrate versus lateral sphincterotomy for chronic anal fissure. A prospective randomized trial”
 - “Pre-emptive local anaesthesia for haemorrhoidectomy. A prospective, randomized trial”
- 1998** European Society of Endoscopic Surgeons, 6th World Congress, Rome, Italy
- “Intra-operative ultrasound of the colon”
 - “Core temperature changes during open and laparoscopic colorectal surgery
- RACS ASC, Sydney Australia
- “Intra-operative ultrasound of the colon”

PRIZES FOR PRESENTATIONS

- 1999** RACS ASC, Auckland, New Zealand
- Mark Killingback Prize for Best Free Paper**
- “Glyceryl trinitrate versus lateral sphincterotomy for chronic anal fissure. A prospective, randomised clinical trial”
- 1998** European Society of Endoscopic Surgeons, 6th Biennial Conference
- Poster Prize, Basic Science Section**
- “Core temperature changes during open and laparoscopic surgery”
- 1997** Research Day, North West Adelaide Health Service
- Best Free Paper**
- “Day case haemorrhoidectomy”
- 1992** Research Day, Flinders Medical Centre, Adelaide, South Australia
- Best Free Paper**
- “Laparoscopic Cholecystectomy in Acute Inflammation of the Gallbladder”
